

AMOLUX

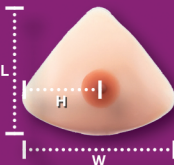

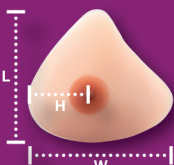

ENJOY PERFECT LUXURY

AMOLUX SIZE CHART

First, measure the band size and choose the desired cup size. Then, determine the right Amolux silicone breast size by following down the column.

This size chart is meant as a guide to assist you in finding your ideal silicone breast. However for more details ask your specialty retailer. They are happy to assist you with their expertise.

Bra	Cup C/D					80	85	90	95	100	105	110	115
